

2024 marks the **10th year of Christmas This Year: Holiday Spectacular!**

Friends of Club 21, a Colorado non-profit celebrating **Down syndrome**, is proud to bring this incredible show Christmas This Year to southern Colorado.

Our goal through the show is to promote inclusion, support and kindness in the city Colorado Springs and that our local impact would reach around the world. Each year our team creates a variety show to tell the stories, highlight the talents, and amplify the voices in our own community with special needs. Through this show, our city has the opportunity to grow in awareness, compassion and care for our very own special needs community. This is community-serving, life-changing work.

Last year we had **55 performers** with special needs and over **100 volunteers**. We performed four shows in front of sold-out audiences, with **2,800 attendees in-person** and hundreds more watching online via livestream.

This year we are again hosting four performances on **December 6th and 7th** at the ENT Center for the Arts at UCCS, and all of us can play a part. We have many opportunities to volunteer, spread the word to your family and friends, as well as corporate sponsorship opportunities.

Each year our team of local business sponsors grows. Sponsoring Christmas This Year is a great way to not only support an amazing cause, but also invest in enriching our local Colorado Springs community. A corporate or individual sponsorship is a great way to communicate your solidarity and celebration of people with special needs in Colorado Springs.
